### Proof of Financial Help Eligibility

We were unable to verify some of the information on your last Connect for Health Colorado application. As soon as possible, please log in to your account to verify this information. See Next Steps below.

#### Next Steps:

1. Log in to your Connect for Health Colorado account.
2. Depending on the information we need to verify, you may have the option to do this by answering some questions in your account. Click "Verify My Information."

If you've already done that, you may need to submit documents instead. To learn more about how to submit documents, and which documents are appropriate, please visit: <https://connectforhealthco.com/find-answers/after-you-buy/submit-documents/>.

#### Potential reasons we were unable to verify your eligibility for financial help:

- We were unable to confirm that you filed your taxes last year.
- If you receive advance payments of the premium tax credit, you must file Form 8962 with your federal income taxes. By following these steps, the IRS can make sure that you got the right amount of tax credit applied to your monthly premium – not too little and not too much. Visit [irs.gov](https://www.irs.gov) for more information.
- We were unable to confirm the information you provided about your household's income.
- You or the person who completed your application selected not to allow us to compare your application information with our data sources.
- If you would like to allow us to compare your application information with our data sources in the future, you can update your application by clicking on the "Make Changes" button.

#### What are acceptable documents for verifying American Indian or Alaska Native status?

- Tribal enrollment/membership document
- Bureau of Indian Affairs issued document
- Other official federally recognized tribal document
- For a complete list of acceptable documents, visit <https://ConnectforHealthCo.com/find-answers/after-you-buy/submit-documents/>

### **Reporting changes about your household:**

---

If you have changes in your household after you enroll in a plan through Connect for Health Colorado, you should report them to us within 30 days. Some changes, called "Qualified Life Change Events," may allow your household to shop for a new plan through a Special Enrollment Period. If you choose to enroll in a new plan through a Special Enrollment Period, you'll need to enroll within 60 days of your Qualified Life Change Event. Learn more about Qualified Life Change Events by visiting [ConnectforHealthCO.com/resources/before-you-buy/when-can-i-buy/](https://ConnectforHealthCO.com/resources/before-you-buy/when-can-i-buy/).

If you do not report changes about your household, you may have to pay back some or all of your Premium Tax Credit to the IRS when you file your federal income tax return.

### **Disagree with your determination:**

---

If you disagree with your household's eligibility determination, **you may file an appeal. You must request an appeal of the results on this notice within 60 days from the date of this notice.** You can do this by requesting an informal resolution, a formal hearing or both. To request an expedited hearing, use the same process for a regular appeal and hearing, but say that you want an "**expedited hearing**" and explain why it should be expedited.
